Attn: Dennis Todd

I would highly recommend your company as a provider of wear resistant products. Over the last 3 years I have been impressed with the high quality of materials and work your company has provided us at Signal Mountain Cement Company, as well as your respect for our deadlines and financial parameters. It has been my pleasure to have such a reliable company that could take care of our abrasion/wear needs and I look forward to doing business with your company in the near future.

Cordially,

LeRoy W. Marsh
